Re: Price v. City of New York, Simmons et al, 15-CV-5871, Plaintiff's Letter Requesting More Time for Discovery

Dear Judge Failla:

I am the Plaintiff in the above-captioned matter. I write to request an extension for Discovery. I am hopeful that I have secured counsel to represent me. They are currently running conflicts and I should know within the next two weeks if they will take my case. It looks promising. Please may I request another six month extension for Discovery as the new firm will need to bring itself up to speed before proceeding with depositions et al? If they don't end up taking my case I will need more time to begin the discovery process alone as a pro se litigant. I have asked the City Law Department their thoughts on this matter and have ~~yet to hear~~ a response. Thank you in advance for your kind consideration of my request.

Hi Ms. Price,

It was my understanding that discovery was effectively stayed while you were securing counsel and that the discovery schedule would be reset. I direct your attention to page 31 and 36 of the transcript from our last conference on November 14, 2018. However, if this is an incorrect understanding, I would not object to more time.

Additionally, once you secure counsel please forward my information to them.

Best,

Debra

Miss March:

I think I've secured counsel finally. I'm going to write to Hon. Judge Polk-Failla and ask for a Discovery Extension bc they are still running conflicts. Do you have anything to contribute to this request or any specific objections or a time-frame in mind that would suit your needs?

best,

Miss Price
